

# TWO Attractions... ONE Location... in Medina!

## One-of-a-kind attractions for your daycare/daycamp groups.

Undoubtedly the most unique attractions anywhere. Call us today at 440-453-5889.

Each age group will take away a different experience. We incorporate your THEME for the week into the tours. Plus, each child receives a free glow bracelet.

Tour guides interact with the children at their age level. We encourage you to watch Christmas movies prior to your visit and point out specific props. During the tour we will point out the same props and costumes. The children get so excited seeing the items that they just saw on tv.

Our Camp directors appreciate the personal experience we give to each group. Your campers will laugh and have fun. **Call today to book your day of fun with us.**
