### **SECOND Separate Attraction:**

### **Alien Vacation Mini Golf™ at Castle Noel**

Mark Klaus created **Alien Vacation Mini Golf in Freaky 3D** offering **18 holes of indoor, interactive, black light, Freaky 3D mini golf.**

Alien Vacation was rated **#1 “Best Mini Golf”** by Fox 8 Hot List. As Seen on Fox 8 Morning Show with Kenny Krumpston, “Treasurer Hunters Road Show”; “New Day Cleveland” and “Profiles in History”.

Alien Vacation Mini Golf answers the age old question “What would happen if Santa Klaus met a family of aliens on their summer vacation?” Find out at the most amazing 18 hole, black light, 3D, interactive mini golf you have ever experienced.

A one-of-a-kind attraction where golfers wear space boots and 3D glasses. You will travel the world with the aliens through immersive and interactive environments. On your journey you will visit a Mayan temple; the ice caves of the North Pole; a primeval jungle with an attacking t-rex; the alien planet; an Egyptian pyramid; and an out of this world alien space port. In the ocean depths watch out for the giant octopus. Then, our 18th hole will leave everyone saying “Wow”. After your journey enjoy a hard or soft beverage at the alien bar.

Castle Noel and Alien Vacation Mini Golf are open year round. These two attractions make the ultimate one day vacation to Medina, Ohio. Trip Advisor rated Certificate of Excellence.
